

24th ANNIVERSARY BENEFIT
FINE ART AUCTION
SUPPORT A CULTURAL ENDEAVOR

PAINTING, DRAWING, SCULPTURE, PHOTOGRAPHY, PRINTMAKING, CERAMICS, GLASS & JEWELRY

Brad Cooper Gallery will hold its annual **Fine Art Auction** to celebrate **twenty-four years** of sustaining a visual arts environment in the Tampa Bay area. The gallery has a diverse line-up of painting, drawing, photography, print-making, ceramics, glass, & jewelry. The benefit Auction will include work by established artists from the region and across the country, from represented gallery artists, artists of international reputation and will include a variety of ancient artifacts from Egypt.

Proceeds from this event directly support the artists, exhibition programs at the gallery, and a 10% buyers premium will support the Nicholas Morosoff documentation project. As well, this event introduces new collectors to original works of art, and provides existing collectors opportunities to add to their collections while supporting one of the longest established fine art galleries exhibiting contemporary art. For further information about the event go to: www.bradcoopergallery.com
